Experience/ Personal Projects

AR Library/ June 2023 - Aug 2023

Worked on establishing an AR based library and conducted multiple interviews. Gathered comprehensive data through affinity diagrams. Built user flows, wireframes & prototypes.

Solace/ Nov 2022 - Jan 2023

Designed a wellness app by gathering insights from primary research. Created interactive prototypes and conducted testing throughout.

Pinterest/ Oct 2022 - Nov 2022

Drove the redesign of Pinterest pages with the aim of improving usability. Conducted usability testing and created redesigned mockups.

Tax Accountant/ Jan 2021 - Jan 2022

Estimated tax returns by engaging with clients and collaborating with senior accountants. Maintained tracking of accounts receivable, ensuring compliance with relevant regulations.
